National peace is been highly threatened simply based on their benefits and not for the generality of the people. Our economy, infrastructure and value of life is eroding at a great speed, all seems not to know the way out.

Let it be clear to all, that in the midst of these; passionate, patriotic Nigerians are been raised to heal the nation from all affliction that has cause the loss of

the time for the birth of a **new Nigeria**, no one put new wine in an old bottle; no matter how the bottle is perceived to be prudent and clean as long as it is an old bottle it will be of no use.

A new Nigeria will emerge very soon; and being sure of her emergence, it is wisdom to prepare the stage for those who are qualified to steer the wheel of progress of the nation on the right part, it is on that note that this trumpet is being blown to call on those that believe and will want to participate in the nurturing of our new nation to greater height.

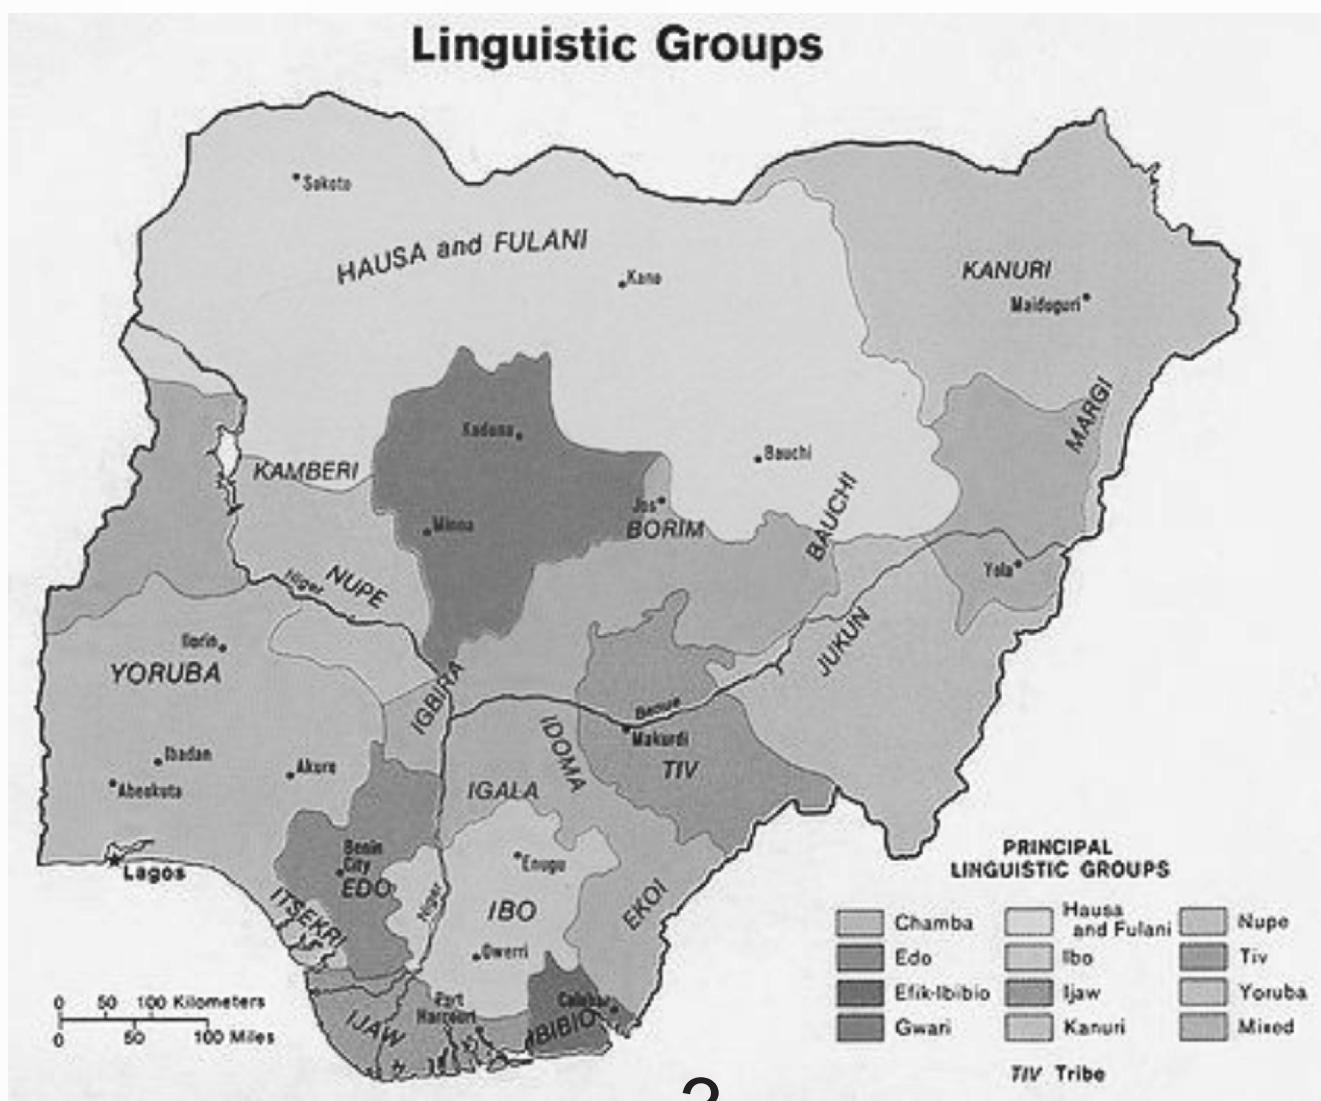

The Liberals is the platform for the birth

and nurturing the new Nigeria; it is a platform for those that understand the diversity nature of Nigeria and are prepared to reach out to all irrespective of their believes and their origin.
